

ORIGINAL CENTRIFUGAL PARTS from WESTERN STATES

...there is a difference!

WESTERN STATES has been supporting its customers and their 6,000 centrifugals around the world for over 90 years with quality parts and service. Whether your centrifugal was built in 1947 or this year, our 40,000 ft² warehouse has over 1,000,000 individual parts, from high alloy stainless steel baskets to simple spring washers. Using original quality parts from Western States will increase up time and performance and reduce maintenance.

Look for the Western States I.D. etched or stamped on every critical part, showing the month & year of manufacture and our part number.*
